This permit is issued under Section 136 of the Highway Law of New York State and the Town of Lyme Ordinance regarding driveways.

Applicant agrees to the following conditions:

1. Permit is valid for the above location only and work may not begin until a permit is granted. If a drainage culvert is needed it shall meet the following specifications: Be of 16 gauge corrugated steel or equivalent; have a minimum length of 30 feet; and a minimum diameter of 12 inches. Driveway to be installed at a right angle to the road.
2. Work on the driveway may not unnecessarily interrupt traffic on the road.
3. Upon completion of the work the site: pavement, shoulders, ditches, culvert, etc. will be restored to as good or better condition than before the work began and the area will be left in a clean, neat and orderly condition. You also agree to maintain the driveway and keep it repaired.
4. Upon completion of the work you will notify this office so an inspection may be made by the Town of Lyme Highway Superintendent or a designated agent, employee or contractor at your expense.
5. In the event installation or repairs are not made as required by this permit, they may be made by the Highway Superintendent or a designated agent, employee or contractor at your expense.
6. You agree to indemnify the Town of Lyme for any and all damages which may occur by reason of work conducted under this permit and you fully understand that this permit may be revoked upon your failure to comply with any of the above conditions.
