

**Town of Lyme  
November 16, 2009  
Budget Work Session  
6:30 P.M.**

**Supervisor Aubertine called to order tonight's meeting at 6:30 p.m.**

**Present at tonight's Meeting: Supervisor Aubertine, Councilmen Madill, Countryman, and Johnson, and approximately 10 others.**

**Charlie Mount** was present at tonight's meeting, representing the Three Mile Bay Fire Department. There was a discussion regarding the Fire Protection Appropriations amounting in \$62,666.00 for each of the Fire Departments per Resolution 2008 – 183. Three Mile Bay Fire Department has a concern with the amount of funding they are receiving from the Town. They are grateful for the monetary support but feel it is an added financial strain on the Town taxpayers. At a later date there will be further discussion as to the appropriations the Fire Department will be receiving in the future.

Highway Superintendent Parker requested a separate line item isolating the fuel usage for the Highway vehicles. Sovie and Bowie will create an account that will have a budgeted amount of \$80,000.00.

*At 8:08 p.m. a Motion was made by Councilman Countryman and seconded by Councilman Johnson to enter into Executive Session to discuss the Teamster Contract. Four ayes. Motion carried.*

*A Motion was made by councilman Countryman to adjourn tonight's meeting at 8:35 p.m.*

*Minutes respectfully submitted by*
