Looks good Scott but the program is for children ages 5-12, and it is 10am-3pm and only runs for 5 weeks but if the town can afford an additional week we could do 6 ;)

Steph,

I'll have to ask Kim if we have a policy for Summer Rec (after all this work, I hope not). Review this policy and let me know of any corrections, changes, additions, recommendations you may have. The Medications paragraph is short and sweet. I will, however, have to check to see if our program is licensed and has a permit with DOH. But, that is my job, not yours.

Thanks,
Scott

Town of Lyme Summer Recreation Policy and Procedures

GOALS AND OBJECTIVES

The Town of Lyme Summer Recreation programs are designed to foster self-esteem and build confidence. Creativity is encouraged in all crafts, games, and activities. Teamwork and self-control are stressed as vital parts of success.

PURPOSE

The Town of Lyme provides a safe, healthy and fun recreational experience for children. Working parents can feel confident that children are occupied by supervised activities in a relaxed social setting.

REGISTRATION AND WAIVER FORMS

Must be filled out before a child can participate in the Town of Lyme Summer Recreation Program.

AGES OF CHILDREN

Children ages 5-12 years are accepted.

SPECIAL NEEDS CHILDREN

The Town of Lyme will make every possible effort to provide reasonable accommodations for the safety and enjoyment of all children. Staff members are predominantly college students who desire experience with children. Few, if any, have training specific to special needs children.

ILLNESS

According to state licensing requirements and for the protection of all children, the Town of Lyme Summer Recreation Program cannot accept children with the following symptoms:

- o Elevated temperature
- o Diarrhea or vomiting
- o Undiagnosed rash
- o Sore or discharging eyes or ears, profuse nasal discharge.
- o Diagnosed contagious diseases such as strep throat or chicken pox

Sick children will be provided with a place to rest comfortably until they go home. Parents will be notified to come and pick up their child within the hour.

HOURS OF OPERATION

The Town of Lyme Summer Recreation Programs offers care from 10:00 A.M. to 3:00 P.M., Monday thru Friday for a 5-week summer period. The children swim at the Chaumont Village Beach at least two afternoons per week. Field trips are planned for each Friday. A list of the field trips planned and their cost is available the first day of camp.

INCLEMENT OR EXCESSIVELY HOT WEATHER

During inclement weather the campers will be kept inside the Lyme Central School. Alternate activities have been planned for these times and include games, crafts, etc.

In the event of excessively hot weather the campers will be kept inside in a well ventilated area, or in the shade outside. All campers shall be required to have a water bottle with them and apply sunscreen regularly. Physical activity will be limited during this time.

DISCIPLINE

When a child does not observe the expected guidelines the summer day camp staff will discuss an appropriate plan of action that may include any or all of the following steps.

Steps Taken:

- *Verbal warning from leaders
- *Time out from activity (will be documented by counselors)

*Suspension from camp for 2-5 days

*Permanent suspension from camp

PERSONAL BELONGINGS

Items brought to camp by the children should all be clearly marked with the child's name. Please encourage your child to leave valuable items at home.

APPROPRIATE FOOTWEAR

Although campers are not restricted in what they choose as everyday footwear, dark-soled shoes and sandals are not appropriate for gym and playground activities.

CHILDREN'S MONEY AT CAMP

Fees needed for field trips should be given directly to the day camp leaders. Please bring exact change. Summer Recreation staff will immediately record your child's payment. Please limit the amount of extra spending money your child brings for field trips. The staff needs to be able to give full attention to the safety of all campers, and handling money for the children is time-consuming and distracting.

CHILDREN BECOMING ILL OR INJURED DURING CAMP HOURS

Emergency services will be obtained through 911 for any illness or injury the staff feels unable to handle with American Red Cross Standard First Aid training. Attempts to reach a parent or other person(s) designated on the registration form will be continued until someone is reached. A parent or other designated person will be requested to pick up a child who is ill or who has an injury requiring treatment by a physician. In the event in which the parent/guardian cannot be reached the emergency contact will be notified. Staff will document all injuries and illnesses.

RELEASE OF CHILDREN FROM CAMP

Children will be released to parents or persons designated on the registration form only. Parents need to send a signed letter authorizing release of a child to anyone not listed on the registration form.

CHILDREN ARRIVING LATE

Parents are encouraged to be familiar with the weekly schedule. Children should not be left at the facility after the group has departed for a field trip. All staff members accompany campers on field trips. On days other than field trip days, a child can be signed in and join in an activity at anytime during the day.

MEDICATIONS

The town insurance carrier has concerns regarding any medications being dispensed by anyone that is not an authorized and licensed nurse, and are very concerned about the legality and liability of dispensing controlled substances to minors. Therefore, distribution of any medication by Town of Lyme Summer Recreation personnel is strictly forbidden. Any distribution is grounds for immediate termination of employment.

SUNSCREEN

Each camper should have a container of sunscreen labeled with the first and last name. A para-free sunscreen with SPF 30 that is waterproof/sweat proof is suitable for campers. We recommend applying

sunscreen to your child prior to arriving at camp.

MISCONDUCT

Children are instructed in and praised for appropriate behavior. Corrective methods chosen for inappropriate behavior will be constructive and educational. Discipline methods can include talking about the situation, separation from the situation and natural consequences such as cleaning up any messes resulting from the behavior.
